

BORONIA CRICKET CLUB INC.

Affiliated with the ECA / RDCA

EST - 1927.

are seeking a

PLAYING OR NON – PLAYING COACH

The Boronia Cricket Club is one of the oldest & largest clubs within the strongly represented outer eastern suburbs, comprising of 5 senior sides (two Turf & 3 synthetic sides), 8 junior sides, 1 veterans side , and Milo Have A Go Program.

Our club prides itself on its strong family culture and junior development program.

The key to our success has been our ability to nurture our younger group of players and instill a solid foundation of social culture via our more experienced players and members within the club.

We also pride ourselves, undoubtedly, on having one of the best playing, training and social club facilities (which are next to none) envied in both of our affiliated association(s) and the Outer Eastern Suburbs of Melbourne.

The position is ideal for a career coach , and we now need to set the impetus for the future in continuing to “raise the bar” to the next level . We are aiming to achieve this by careful selection of leaders in personnel and implementation of successful processes that work and aiding in the further development and nurturing of our talented younger core group of players alongside our more experienced mix of players.

With these goals in mind we are now seeking a strong and capable leader for season 2009/10 and beyond, who can guide our club to THAT next level of excellence by:

- **Coaching the senior sides with a focus on developing the technical skills of our talented younger players. Both at an individual level and within a group environment.**
- **Possessing Strong Leadership & Communicative qualities and be of good character.**
- **To be capable of addressing the entire playing group on a regular basis.**
- **Having previously played cricket at a senior level who has a proven track record of on- field success.**
