

KNOX CITY CRICKET CLUB INCORPORATED

Affiliated with the RDCA
EST - 1973.

are seeking a

CAPTAIN / COACH

The Knox City Cricket Club is a proud club whose origins are founded through Boronia United Cricket Club in 1973, a name change to Knox City Cricket Club to align better with the Knox Community in 1980. We currently have 3 senior sides, however next season we are looking to introduce a fourth senior side and for the first time enter a team in the Veterans competition. The committee is also hopeful of fielding at least one junior side in the Under 12 competition.

Our club prides itself on its strong family culture and are buoyed by the on field success of our 3 senior sides this season with one premiership, one grand finalist and a narrow loss to the 1st XI in a hard fought semi with Wonga Park.

We have a youthful player base with the majority of our player group under 25 years, thus providing a solid foundation for future on field success. Sprinkle this with some level headed experienced senior members enables the club to have a social able culture on and off the field.

We at KCCC are looking for a coach to work and develop our younger players and guide our 1st XI to on field success, leading to promotion to the higher grades within the RDCA. The position is ideal for a coach, looking for a longer term coaching role and to bring some new ideas and breathe new life into the clubs training regime.

We are aiming to achieve club and on field success by having a committee and team Captains committed to supporting the Coach in implementing new ideas and work with him to further development and nurture our talented up and coming younger player group.

With this goal in mind, KCCC are now seeking a strong and capable leader for season 2009/10 and beyond, who can guide our club to the next level by:

- **Coaching the senior sides with a focus on developing the technical skills of our talented younger players. Both at an individual level and within a group environment.**
- **Possessing Strong Leadership & Communicative qualities and be of good character.**
- **To be capable of addressing the entire playing group on a regular basis.**
- **Have a proven record of playing cricket at the senior level with on- field success.**
- **Having the ability to demonstrate short term and long term goals to enhance individual player skill levels.**
- **Preferably having accredited coaching qualifications, although not totally paramount.**

KNOX CITY CRICKET CLUB INCORPORATED

If you feel that you have the necessary skills and believe that this role is for you, we at KCCC would like to hear from you. **Remuneration is negotiable.** All applicants, expressions of interest & enquiries will be treated with the strictest of confidence.

Applications close 15 June 2009

Scotty Miller

**PRESIDENT
KNOX CITY CRICKET CLUB
P.O. BOX 5292
STUDFIELD, VIC 3152**
