Are you looking to play cricket this year?

Wonga Park is not only one of the most successful cricket clubs on field, it also boasts as being the most family orientated club in the local area. The club rooms and two main ovals are based off Lauanders Avenue in Wonga Park, nestled amongst the beautiful and scenic surroundings which give the club that unique country feel.

The Wonga Park Cricket Club is celebrating its Centenary in 2010/11. This will be a time of reflection as we acknowledge the rich history of the Club, and will also inspire us to look forward as the Club continues to evolve.

We encourage new members, whether they be playing or non-playing, young or old, to come and be part of the WPC.
