## Match Information

Clubs should ensure that the scorebooks are balanced by both teams at the end of each days play.

The MyCricket system requires both teams to contribute to the completion of match results. To ensure that results can be completed within the required time frame; both clubs are required to enter their teams.

Clubs are requested to have their teams selected in MyCricket by midnight on the Saturday night of the match/ first day of the match.

Teams can be entered anytime time during the week.

Clubs will become aware that the full completion of results is necessary for all player and team statistics. Failure to fully complete results by the required time can result in a range of fines and penalties. Failure to fully complete results may cost one of your players an end of season Award.

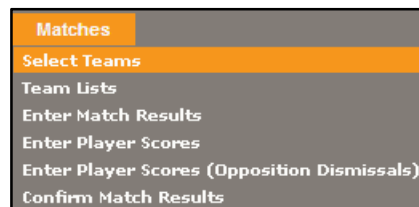

## Part 1 - Select Teams
