

RDCA SOCIAL MEDIA POLICY

Code of Conduct

The Ringwood District Cricket Association (RDCA) recognises that social media is an important part of the way members communicate. We actively encourage members to participate in social media and share their experiences in cricket. We recognise the importance of the internet and other social platforms to improve and increase the flow of information, shaping public thinking about our organisation, members, sponsors and stakeholders. Accordingly, the RDCA has developed and maintains its own online social media presence through which it delivers content to its members and the public to develop and increase opportunities in cricket at all levels in the metropolitan area bound by the affiliates of the RDCA.

However, the RDCA's public reputation is valuable, as are the reputations of its affiliates, members, sponsors and stakeholders, and as such the RDCA expressly prohibits any communication on social media that is defamatory, obscene, proprietary, and misrepresentative of the RDCA, the Victorian Metropolitan Cricket Union (VMCU) and Cricket Victoria, or for commercial purposes.

Social media is a broad and changing concept. It generally refers to interactive electronic forums or online media where people are communicating, posting, participating, sharing, networking or bookmarking. For the purposes of this policy, social media extends to:

- a) electronically communicated material, whether written, photographic, video, or audio, which is accessible by more than the member alone;
- b) Facebook, YouTube, twitter, MySpace, LinkedIn, Wikipedia, Flickr and other related domains;
- c) Blogs; social networking sites; instant messaging; social bookmarking, media sharing and collaborative editing websites;
- d) Any other forum which might reasonably be classified as social media as that term is generally understood; and
- e) Any other forum for public comment
