

The original Minutes of the Lilydale District Cricket Association Annual Meeting for season 1923-24 have not been found but there was a newspaper article in the Healesville and Yarra Glen Guardian on Saturday 18th October 1924 that provides some details as follows.

"Cricket – Lilydale District Cricket Association. Annual Meeting.

The annual meeting of the Lilydale District Cricket Association was held in the Lilydale pavilion on Thursday evening October 9th. There was a splendid attendance of members, and the great enthusiasm displayed augers well for the coming season. The President (Mr. R. Morton) presided.

In his annual report the Secretary (Mr. A.J. Jones) gave an excellent account of the association's doings during the past season. He said that the season had been marred to a great extent by bad weather; this however did not prevent the clubs from enjoying many excellent games. The Healesville club was successful in winning the premiership, and he extended to them the congratulations of the association. The batting average of the association was won by A. Overton (Wandin A) with the splendid average of 77 runs per innings. The bowling average went to N. Sturzaker (Healesville) who also performed excellently by capturing 46 wickets at an average of 6.41 runs per wicket. Attention was drawn to the evil of late starting which was very prevalent last season and it was hoped that something would be done to prevent a recurrence of this. The President (Mr. R. Morton) in congratulating the Healesville club said he was pleased to present to N. Sturzaker with a gold medal in recognition of his winning the bowling average. After the meeting the delegates partook of coffee at the invitation of the President and Mrs. Morton.

The following officers were appointed – President, Mr. R. Morton; Vice Presidents Messrs. W.J. Dawborn, J. M. Mitchell, Keenan; Secretary and Treasurer, Mr. A.J. Jones.

The above Competition will commence the season next Saturday. All the clubs represented last year are again competing with the addition of Yarra Glen.
