PRESIDENT'S REPORT

The details of the 1983/84 junior cricket season of the R.D.C.A. are set out in the following pages and I urge the Club Delegates to take their copy back to the Team Managers and Junior Co-ordinators of last season so that everyone who contributed to the success of the season has the opportunity to read these statistics.

The Rules were changed only slightly last season and these minor changes indicated that the junior association is operating well and that you and your players are reasonably happy with the present rules and playing conditions.

The Under 12 Grade 5 was a non-competitive grade last season and was regarded as a training ground for our young cricketers to learn the game, participate fully and thoroughly enjoy themselves. To the very great credit of the Team Managers these objectives were most clearly met and the review session we conducted in mid-season indicated that the scheme was a resounding success.

You have already indicated by your team nominations that you want the scheme continued next season.

Jim Clarke reports elsewhere on the success of our revised umpires-for-finals system and, again, I think the Clubs who nominated players of the right background to assist in this regard.

Our Presentation Night at the Ringwood Karralika Theatre was also a beauty and those players and clubs that attended to receive trophies and awards will long remember the very pleasant and warm atmosphere of that great evening.

We must sadly say farewell to some members of our Junior Executive who have served us well.

Firstly Mrs. Lyn Pitt who has been our Secretary for the past few years has decided to hang up her pen. Lyn has been a tower of strength to the Junior competition and her close knowledge of spare grounds, rules and alternative ways to get a junior game started has helped us all at times.

She tells me that she is not going to lose interest in our game but seeks a rest from the constant ringing of the telephone.

Jim Clarke has been a member of our Junior Executive since its inception and has gladly accepted responsibility for any task that needed to be done.

He has contributed very wise counsel in all our discussions and particularly so in relation to Rule Alterations. Jim is still very keen to continue this work but his new job prevents him from attending meetings.

Our Registration Secretary, Maurie Dear indicated a while ago that he was unable to continue in that office. Maurie put a tremendous amount of effort into our Junior Competition and was a major force in the success we have experienced in the past few years. He has not been very well and the constant work load associated with his R.D.C.A. duties has not improved his health.

We will miss his contribution and his flair for organisation.

To all these people I say, on your behalf, well done!

The junior cricketers may not know each of you personally but your outstanding work on in their interests has made the game more enjoyable to them and I feel sure that the three of you will gain immense satisfaction from that.

The other members of the Junior Executive all assisted with special efforts such as the Carnival Series, Presentation Night, Sponsorships etc. and all members worked well together.

I trust that the new Executive you elect tonight will continue to advance the interests and enjoyment of our junior cricketers.

Bill Wilkins,
President.
Junior Executive.
R.D.C.A.

JUNIOR SECRETARY'S REPORT

Another season has come and gone and again not without the "headaches".

Although there was not the large number of team withdrawals as last season, the availability of grounds at the start was very poor.

One of the major problems that appeared during this year were the forfeits. A number of Clubs apparently do not think to advise not only the Association, but also the other Club. This creates a lot of ill feeling among the people concerned.

Apart from all the "little trouble spots", the season ran smoothly and to all Club Administrators, my thanks to you.

The Association Carnival was again an extremely successful event. To all the people concerned with the running, they can be very pleased with themselves.

At the end of the season, Maurie Dear resigned from his position on the R.D.C.A. Junior Executive. The assistance Maurie gave to not only myself, but to all the Junior Administrators will be sorely missed.

My thanks to all the Junior Executive for their untiring support for Season 1983 - 84.

Lyn Pitt.

CARNIVAL SERIES SEASON 83/84

The Carnival Series, held during January, for U12 and U14 cricketers was again a great success. Support from clubs within our Association, by nominating a large number of lads to try out under selection conditions, is very heartening for the Executive.

Fortunately a large number of these boys were able to gain selection as the R.D.C.A. fielded 2 sides in each age division. Each of the teams performed extremely well, and were able to play in semi-finals. One team from each age division made the final but were beaten on the day.

The Carnival Series is a magnificent opportunity for young cricketers to meet under different conditions, and those who took part will have gained greatly from the experience.

Thanks must go to all the people who worked tirelessly behind the scenes to ensure that all ran smoothly. Also the large number of financial sponsors must be thanked. Without their support the series could not have been presented.

The success of our representative sides is a reflection on the Association, Clubs, and most importantly our young cricketers to the game of cricket.

John Hill.

REPORT ON FINALS' UMPIRES

Nominations of umpires in accordance with the rules came in more freely than the previous year, which means clubs are accepting the new rule with the enthusiasm it deserves.

The standard of umpiring was very good with several umpires showing a very high level of ability.

The only sour note was that two umpires did not turn up for the second day of two separate games, and it must be said that the dress of some umpires was not in keeping with what we require as set out in the rule.

Those who officiated are congratulated on a job well done, and we thank all persons who nominated.

Jim Clarke

JUNIOR REGISTRATION AND RECORD SECRETARIES REPORT

The season 1983/84 saw once again an increase in junior registered players with a corresponding increase in administration errors. It possibly is time for a study to be made of the records required from clubs and the importance placed upon the correctness of some facets of such information.

To the clubs that attempted to assist with prompt lodgement of Result Sheets and with attention to registrations Maurie Dear and myself thank you.

Bob Giles
