

T.C.(Timothy) Court - 2011/2012

The Bayswater Park Under 12s is where Timothy started his cricket career in 1988/1989. He is still playing at the club today (July 2013) and during his time at the club he has played in all grades, has won various batting averages (2nd, 3rd, 5th and 6th Elevens) and other club awards. He also served as an office bearer at the club for many years, including as Junior Co-Ordinator for 4 years from 1996/1997, as Club Secretary for 2 years, Treasurer for 7 years and President in 2003/2004. Timothy was deservedly made a Life Member of Bayswater Park Cricket Club during the 2007/2008 season.

From an early stage of his cricket career, and whilst still a teenager, Timothy found time to contribute to the Association and this has continued for many years. In 1995/1996 he began coaching the RDCA Under 12 team and he did this for 4 years. This led to taking on the role of RDCA Junior Secretary in 1998/99 at the age of 20 and Timothy held that role for 4 years before becoming a general member of the Junior committee. For the 4 years that he was the Junior Secretary, Timothy also held a position on the then RDCA Senior Committee.

After a break from executive positions, Timothy was elected as President of the RDCA Junior Committee in 2007/2008 and he held this important position for 6 years. During this time Timothy was also a member of the Association's Board of Management. Timothy guided the Junior competition through substantial and important changes designed to retain and increase participation in cricket and his efforts in this role should not be underestimated. He is universally respected for his contributions to our Association and cricket in general.

Timothy also found time to assist the Victorian Metropolitan Cricket Union in conducting their Christmas Junior Carnivals and has assisted Cricket Victoria in several projects. Perhaps Timothy's greatest *visible* achievement was the original RDCA Website followed by the introduction of Facebook.

Timothy was deservedly elected as a Life Member of our Association in 2011/2012. To receive the Association's highest accolade at the age of 34 demonstrates the magnificent contribution that Timothy has made, and continues to make, to our Association. Timothy re-joined the Board of Management during the 2019/20 season.
