JUNIOR PRESIDENT,S REPORT

This season started with a long spell of wet weather,which caused many problems for both the Executive and the clubs. After several changes to the draw, the season finally got under way and proved to be another competitive and successful one.

The contributions of the members of the Junior Committee was once again and I thank them for their efforts over the season. Particular thanks to our Secretary, Neville Bradshaw, who has an enormous workload and carries it out very capably.

For our association to operate effectively, we need strong administration at club level. Once again this was evident this season and I thank all those involved at the clubs for the time and effort that they have put in.

The level of competition was again of a high standard and there were many fine individual and team performances over the season. I congratulate all the premierships winners and all players for their achievements and hope that they have gained much from the season.

Our representative teams all performed extremely well again this season. The Under 14's and Under 16's both kept up our excellent record in the IACC carnival and the Under 12's performed very well in the Keith Mitchell Shield. We had a number of boys play in both the Dowling Shield and Hatch Shield. We also had good results in the Inter Association games that we contested over the season. Congratulations to all the players and team managers for a fine effort in representing the association.

The Senior Executive were once again supportive and advised us when needed. I thank them for their assistance over the season.

The Presentation night was a successful one and we were pleased to invite past Juniors who have gone on to higher levels in their cricketing careers. I thank Sean Flynn, Craig Howard, Brett Montgomery, Shane Thompson and Darren Dempsey for their co-operation and wish them well in the future.

As this is my last year of involvement with the RDCA Juniors, I would like to thank all that have helped me over the past three seasons. I wish the future committee well for the coming season.

Regards

Keith Brebner
Junior President.

JUNIOR SECRETARY'S REPORT

The 1992/93 season, like previous seasons proved to be both successful and rewarding for all those involved. The wet start to the season was a testing time, but the depth of commitment, talent and co-operation that exists within the association ensured that it was not an insurmountable problem. The hard work of the Junior Administrators Team Managers and executive members from previous seasons formed the solid foundations from which the seasons successes were built and as each years successes accumulate the association can only go from strength to strength. We cannot afford to become complacent and rest on our laurels for the strength upon which our association is based will quickly crumble, so in season 1993/94 lets all once again work together for the good of Junior cricket.

Once again our representative teams performed extremely well, their behaviour both on and off the field, sportsmanship and all round results were first class for which we thank them and look forward to those who are eligible to once again offer their services in season 1993/94.

Finally, congratulations to all the Premiership winners, RDCA award winners and Individual award winners and a special thanks to both the Senior and Junior executive for their untiring work in making the association run so smoothly.

Regards

Neville Bradshaw
Junior Secretary

JUNIOR_RESULTS SECRETARY REPORT.

Due to the late start to this season, and many clubs also having new junior administrators, it did have an effect on the overall standard of result sheets. The major problem evident was late or missing match result sheets, this season there was a record 42 late result sheets and 62 away result sheets were not submitted. Because of this many of the players performances were not recorded. One would hope that next season most clubs can make a real effort to improve in this area.

This season a universal dismissal method, how batsmen were out, was used on the junior result sheets the letter "D" was substituted for every form of dismissal. Most clubs changed over to this method without to many mistakes being made, clubs did not incur a fine if they failed to implement the new dismissal letter.

I would like to thank Paul Craddock and Jeff Luscombe for their help with the result sheets this season, thier help and efforts enabled us to have near to perfect ladders for every round. I would also like to thank the rest of the Junior committee for the efforts this season, as everyone would know this was not the best season we have had due to the rain.

Finally congratulations to all premierships winners and RDCA award winners the grand finals this season were some of the most exciting and closest finishes we have ever had. A tie in out premier under 14 grade plus many other grades being decided by 2 runs or 1 wicket showed how close teams were matched this season. Now we have put this wet season out of the way for good, next season will be just around the corner and much better than the one we have just completed. Next season there will be NO RAIN!, all the best for next season.

Regards
John Higgins
Junior Result Secretary

JUNIOR REGISTRATION SECRETARYS REPORT.

In 1992/93 we processed 613 Registrations and a total of 54 Clearances were granted to players. Apart from the clubs not ringing scores through the only other fines ocured were due to misspelt names of players on the result sheets. Even so I believe that there has been a big improvement in this area by all Clubs and this to me signifies that Junior Administrators are either becoming more experienced, clubs are giving more thought to who they wish to have controlling the administration of their Juniors or Junior Administrators are working harder at building up good, reliable and cricket orientated managers of their various Junior sides.

Congratulations to all the Clubs winning premierships this season and to those that didn't keep at it as your turn may be next season.

Regards
Derrick Guye
Junior Regristration Secretary

UMPIRES REPORT JUNIOR FINALS

The standard of umpiring in the Junior Finals Series for this season was of the very highest order. It was particularly pleasing to see the number of young senior cricketers who volunteered their services and all of those who took part showed a great deal of maturity in the manner in which they conducted themselves. In most cases the young umpires were rostered with more experienced seniors in Semi Final matches and this pairing carried through to the Final.

It is important that we develop an umpiring panel of people who want to participate rather than clubs being forced to provide umpires or incur a penalty. These young cricketers are vitally important to our future and can make a contribution at a junior level, it should be remembered that they have a lot of experience in junior cricket.

We would like to thank all of the participants for their efforts in what was a most successful final series.

Regards
Josh Browne
Umpire Convener

R.D.C.A. INTER - ASSOCIATION TEAMS

The RDCA U14 team played in the IACC Carnival over the Christmas Holidays , against the Traralgon Junior Cricket Association and the Box Hill Reporter Association during February.

The IACC Carnival team played off in the grand final and were in a very dominant position only to have the game washed out, as the other team finished higher on the ladder after the round robin games our side was awarded second .

The Traralgon match was won by the RDCA but we lost the Box Hill match.

The RDCA U16 team also played in the IACC Carnival , against Traralgon and Box Hill . The wet weather also prevented our team from winning from a very handy position , again the second place.The U16 lost to Traralgon on a very sticky Croydon wicket but won against the Box Hill team.

The RDCA U12 team performed very well in the Keith Mitchell Shield and in a very exciting finish won against Box Hill Reporter Association.

The Junior Executive wish to thank all players, officials, parents and anyone who helped in making the Inter- Association Matches a success.
