JUNIOR PRESIDENT'S REPORT

I am pleased to report that the 1993/94 season progressed smoothly and with an absence of major problems. As recorded elsewhere in this annual report, the players who were chosen in the various carnivals acquitted themselves well and certainly showed the depth of talent within the R.D.C.A.

While on the subject of talent, you may have noticed in the media that schools and various sporting institutes, are placing more emphasis on encouraging youngsters to become involved in sporting activities and their coaches to be accredited. A significant number of the major sporting bodies now require those involved in coaching junior players, to have at least "Level 1" formal training. It is important for the proper development of our junior cricketers, that as many people as possible, who are involved with junior players enrol in the coaching courses, which are run by the Victorian Cricket Association. I am sure that most Clubs would pay the accreditation fees as the benefits of proper coaching will ultimately mean that clubs have better players.

This year we have also seen a satisfactory number of new registrations, particularly at the Under 12 level. While most clubs have recruited well, others have had limited success, and this prompts me to urge all Junior Administrators to review your recruitment plans for 1994-95 so that we can attract many new players to cricket.

I am grateful for the assistance and advice which I have received from every member of the Junior Committee, all of whom have carried out their responsibilities to a very high standard. On behalf of the Committee I sincerely thank the Junior Administrators and parents of junior players for their cooperation throughout the season. My thanks goes to the Senior Committee who have supported us so well.

Regards

John Tynan
Junior President.

JUNIOR SECRETARY'S REPORT

The 1993/94 season was again an outstanding success. All winners of premierships should be congratulated along with all the other players who make up the rest of the teams, who participate each week, for without them there would not be a competition. There were once again many fine individual and team performances this season and to those who achieved these high points, well done. The most rewarding aspect is, the large number of boys playing cricket each week and this is the reason for all of us being involved in junior cricket.

Our representative teams performed extremely well again this season and their behaviour and sportsmanship was first class. Congratulations to all the team managers, other officials, parents and to the players themselves for upholding the fine traditions of the association.

For clubs to operate smoothly and effectively, many people put in hours of work, often without any thought of thanks, so to all of you whether at club level or else where, I thank you for your contributions again this season. Because of a very capable and hard working Junior Committee, my job was again made much easier so I wish to thank them once again on a job well done.

I am sure that if we all can continue to work together the same way as last season, next season then our association can only get stronger and become a model for other associations to try and copy. We have a tremendous depth of talent within our association and it's the responsibility of all of us to ensure that this talent is allowed to grow and develop for the good of cricket.

Regards

Neville Bradshaw
Junior Secretary

UMPIRES REPORT JUNIOR FINALS

Again the umpiring was of a very high standard over the final series. It was pleasing to see the quality of Umpires who participated and the manner in which tasks were performed. A mixture of young Umpires with the more experienced seniors proved a formidable combination throughout the series. Very few problems were encountered.

Thank you to all participating, for your time and effort in producing a successful final series.

Regards
Josh Browne
Umpire Convener

JUNIOR RESULTS SECRETARY'S REPORT.

This season we at last had a full complement of games, it's the first time I can remember this happening and after last season 92-93 everyone would only hope this past season could be repeated every year.

The result sheets overall were quiet good, the level of mistakes were the lowest since I have been results secretary. From this season a team logging a late sheet had 4pts deducted from its premiership points tally, the team was also fined \$10.00. A total of 16 teams had points deducted, one club suffered this fate seven times. The reason this new penalty was enforced was to try and improve the overall poor efforts of the past which led to inaccurate ladders, players eligibility list and players averages. I would also like to point out the if a result sheet misses the computer run on the Monday after the game, it takes around 2 hours a sheet to proses it again. But there is a very simple answer to all of this, lodge the sheets on time.

Finally I would like to thank all members of the committee who have helped this season and congratulate all premiership and R.D.C.A. award winners.

Regards

John Higgins
Junior Result Secretary

JUNIOR REGISTRATION SECRETARY'S REPORT.

As this was my first position on the Junior Committee, the first few weeks were very hectic and without the assistance of Ken Dunham I would not have been able to cope with the workload. I have found the Junior Committee to be one of the most dedicated and hard working group of people I have come in contact with during my years in cricket.

To the Junior Administrators, thank you for all your hard work during the season and your contribution to the success of this association at all levels. For the forthcoming season I will be looking at modifying some aspects of recording so that there might not be quite so amny mistakes made during the season.

During this season 93-94, there were 42 clearances granted by the Junior committee of the R.D.C.A.. There were 635 new registrations processed by the Registration secretary, and a total of 14 players were found to be unregistered, overage of higher graded during the season.

Finally I would like to congratulate the teams that won Premierships, all the boys who received awards from the R.D.C.A. and all the teams whp participated during the season.

Regards
Jeff Luscombe
Junior Regristration Secretary

R.D.C.A. INTER - ASSOCIATION TEAMS AND REPRESENTATIVE MATCHES

January saw the 1994 I.A.C.C. carnival for the U16 and U14 age groups and the Keith Mitchell Shield for the U12. John Higgins, team manager for the U14 was ecstatic on winning the title for the 3rd occasion in 4 years. The side defeated the previously undefeated South Suburban Churches in the final at Lower Eltham Park. Well done to players and Todd Mahoney for captaining the side which had a must win situation when meeting Yarra Valley in the final game. Response was positive. The team defeated West Gippsland in the semi-final in a low scoring game at Officer.

U16 put up a commendable effort during the series but unfortunately were not quite good enough in the semi-final. Well done "Snowy" Browne who was team manager. Special mention to Chris Hitchen of South Ringwood on being named "Best Player of the series" and on winning the Dean Jones Award.

Graeme Merritt managed the U12 Keith Mitchell shield side. The team played well but some close losses cost them a place in the finals. Ashley Madlin proved himself an outstanding player and captain. During the series games were played in fine weather with competition being of a high standard.

Representative matches were again a success with involvement of players competing at a high level. Matches contested against Essendon, Broadmeadows-Keilor, Yarra Valley, Box Hill Reporter and Traralgon.

Committee gives thanks to all players, Team managers and parents who assisted during the game schedule. Another successful season which puts the Association in sound position for the 1995 season.
