President's Report

Once again I am pleased to record that the 1994/95 season ran smoothly. The Junior Presentation Night showed that many fine individual and team performances occurred during the year and I have no doubt that we will see a similar high standard next year. Incidentally, on Presentation Night the Karalika Theatre was filled to overflowing which has prompted us to seek a larger venue for next year.

You may recall in last year's Report that the Committee was keen to improve the skills of all Junior players by encouraging Team Managers and Coaches to gain coaching accreditation. The accreditation course which the Committee arranged through the Victorian Cricket Association resulted in over 40 participants being successful in obtaining Level 1 standard. An invitation has been extended to them to upgrade their qualification to Level 2. I would like to see more Club officials gaining at least Level 1 coaching standard. During the year we acknowledged that the Non - Competitive teams received little recognition for their efforts. To correct this situation we decided to give a trophy to the two best conducted teams. The purpose of the awards is to encourage good sportsmanship from an early age. These annual trophies have been named after Neville Bradshaw and Josh Brown both of whom have worked tirelessly over many years to promote junior cricket. We were pleased that Neville and Josh were able to present the trophies at Presentation Night.

Our thanks go to the Veterans who generously donated a quality cricket bat to the Juniors. The Veterans have indicated that they will continue to support us in a variety of ways. We are very grateful for the interest shown by the Veterans. The Committee decided that the bat be awarded to the 1994/95 Junior Club Champion - Wantirna South.

The main challenges facing all Clubs are not new but are worth re - stating:

They are:

1. Recruiting;
2. Developing and involvement;
3. Standard of conduct.

1. We must recruit more players. It is disappointing to see some Clubs with only one or two Junior teams. Not only will this affect the Senior teams in the next few years, but there is a real possibility that Councils will re - allocate underused grounds to other sporting groups.

2. We must strive for continuous improvement in skills. Most Clubs now have at least one person who has Level 1 Coaching accreditation. This should result in a higher level of skills development providing that all players have their fair share of batting and bowling during the matches. Team managers have an obligation to give everybody an opportunity every game.

3. We must insist on an excellent standard of behaviour. The vast majority of teams display excellent behaviour due mainly to the high standards set by their Team Managers. The Junior Committee, with the full support of the Senior Committee will not tolerate sledging, disputing umpires decisions and general bad behaviour of players or officials. I ask all Club officials to ensure that good sportsmanship is displayed at all times.

I am grateful for the support I have received from the Senior Committee, Junior Administrators, Parents and Players. My special thanks go to every member of the Junior Committee who have all given so generously of their time, expertise and advice. As I have decided not to seek re - election, I will certainly miss their camaraderie but I am confident that the Junior Division is in fine shape and will continue to improve under the new Committee.

JUNIOR SECRETARY REPORT.

Once again we have come to the conclusion of another season. I am most grateful for the positive support given by fellow committee. All worked hard over the winter to ensure a smooth start to the season and to maintain expertise and guidance to clubs throughout the season.

This association comprised 33 clubs fielding 131 teams of 574 players. This is a decline of 61 players on last season. The loss of Mt. Evelyn to Yarra Valley and Vermont to Box Hill Reporter did not help our cause. The declining trend from cricket in our association does pose concern. I know all members are aware of need to reverse this trend and the survey completed toward the end of the season will give incoming committee a line of attack to work on to try and increase numbers.

The association again acquitted itself well with teams participating in Inter association-Inter- Carnival and School boys competition. We were also well represented in the Keith Mitchell Shield (U12) Hatch (U14) and Dowling (U16).

Congratulations to award winners and premiership teams and thanks to other teams which played entertaining /competitive cricket each week. There were some notable achievements in our competition. Well done to those players.

The coaching clinic is an innovation that has not been evident in Juniors before. Although time consuming and with early teething problems, the executive was pleased to be able to provide an excellent opportunity for those coaches of which 31 have now reached level 1 accreditation.

My thanks to Team Managers and Club personnel who made up the off-field team of hard working officials willing to spend many unpaid hours to ensure a successful season. My thanks also to Susan Davidson who did a great job in taking telephone scores and ensuring local newspapers printed information. My thanks must also go to my wife Mary for all her help during the season with the typing and the taking of telephone calls.

The season did not go without incidents. I am concerned at the number of investigations needed and more so at the needs to apply player suspensions and impose club fines. It is vital for players and Team Managers to respect the Code of Conduct. The future is bright and the challenges exciting. I am sure that you all can maintain enthusiasm and help this association to become stronger. Keep in mind it is our responsibility to develop cricketers and enable them to play at the highest possible level.

Finally after much consideration, I have decided not to stand for re-election. This decision was indeed difficult. I have enjoyed my time within our association but more importantly the many friendships that I have made that I am sure will continue.

Thank you to all. My best wishes for continued success within all areas of the Association.

ALF PENNINGTON
(SECRETARY)

JUNIOR RESULTS REPORT 94/95.

The result sheets were quite good this season. We did have a large number of new "club" personnel and they performed extremely well in their first year. Late result sheets unfortunately again stopped some sides from reaching the finals and clubs have accepted that rules are rules. A total of 14 teams had points deducted. One club suffered this fate four times. Other mistakes which continue to be made are mainly on the away teams half of the home sheet. Many clubs leave the games with out supplying correct club or player details. That results in that team being penalized.

This season because of the untimely passing of Mr. Ken Dunnham, the RDCA had some problems collating all grades of the result sheets. We did get there in the end and I would like to personally thank all clubs for their patience in this area. The RDCA does need to update its computer program and hopefully they will be able to do so in the near future.

In conclusion I would like to thank all my fellow Junior Committee members who have helped so much this season and to congratulate all the premierships and individual RDCA award winners.

JUNIOR REGISTRATION SECRETARY REPORT.

The number of registrations have fallen from last year. Last year the number of registrations for the season 1993-94 equalled 635 to this seasons 574 new players.

The number of clearances reached a total of 80 for the season 1994-95 compared to last seasons 42 clearances.

Thank you to all the Junior Administration for their time and effort during the year.

I would also like to thank Stuart Newey and John Higgins for their support this season. Finally I would like to thank all members of the committee who assisted this season and congratulations to all Premiership Clubs and RDCA Award winners.

JEFF LUSCOMBE.

JUNIOR FINALS UMPIRE REPORT

I was disappointed in the number of clubs who could not appoint a single umpire for the final series. To the clubs who supplied more than the two umpires that was required Thankyou. The umpires had a difficult task because of the weather conditions but all the umpires performed outstanding during the finals.

To all the umpires thank you for making the final series an outstanding success.

PLAYER REPRESENTATION AT HIGHER LEVEL.

UNDER 13 METROPOLITAN CRICKET SIDE.

Three members of our association represented Victoria against two South Australian clubs, Glenelg and Fleurieu Peninsula in one day game, then a two day game against a combined South Australian side. Congratulations to Ben Neagle (SWT U14) for captaining the state side, Ashley Midlin (CDN U14) for wicket keeping and Damien Cupido (CDN U14) for his achievement. Association understands that the boys certainly represented our Association well.

INTER ASSOCIATION CRICKET CARNIVAL AND KEITH MITCHELL SHIELD.

The association is most grateful for the co-operation of parents in making the boys selected available for the higher grade competitions played throughout January. Our approach to these games is one of a professional attitude and to give a group of players opportunity to take the next step and perform against some of the best cricketers in the respective age groups. Results were particularly pleasing with high scores and some outstanding performances.
