## President's Report - Timothy Court

The 2011/2012 season when it was all said and done, can definitely be viewed as a success. The biggest issue encountered during the season was the rain, with interruptions encountered at both the start and end of the season. Despite these interruptions we were still able to complete the season with minimal loss of playing days.

For the second season in a row there was a continued focus on player retention and finding ways to increase participation numbers. At the conclusion of the 2010/2011 season the GARP Committee was formed by the Board of Management to assist with addressing these issues across the association. This group has worked hard on these issues and to date we have seen the development of a Club Support Manual for Clubs, the introduction of Split Innings Cricket to the Junior Competition and a lot more ongoing hard work that is will many more positive developments be put into action soon.

It was very pleasing to see the Clubs take to the Split Innings format with a very positive approach and in return we received overwhelming positive feedback, which would suggest that this format has made a significant impact. Even more pleasing is that other Associations will be following the RDCA's initiative this coming season and introducing similar formats.

One of the next focuses of the Board of Management and the GARP Committee is to increase promotion and exposure of the game, especially at the lower Junior level, with the goal of increasing our numbers. As part of this exercise, we have met with Cricket Victoria on three occasions, including a meeting with Cricket Victoria CEO Tony Dodemaide. We have also attended the Cricket Australia Road show where issues affecting local Cricket were discussed. Since our first meeting with Cricket Victoria we have seen a very big shift in focus of their strategies with a shift of focus back to Clubs and Associations and assisting them with growth and retention.

We are currently discussing a number of strategies both internally and with Cricket Victoria that we hope to implement towards the end of August and beginning of September. It is hoped that these will increase awareness of the game and more importantly participation in In2Cricket, Under 10 and the Under 12 competition for the coming season.

The RDCA Junior Committee again ran the T20 Competition. and This season saw the introduction of an Under 14 Age Group that proved to be very popular. We came close to getting an Under 12 Competition up and running but it was not to be. The Grand Final of the T20 Competition was once again played out at JW Manson Reserve and well hosted by St Andrews CC. It was great to see all three finals played at the same venue.

The Under 10 Round Robin Carnival was also held again this season and for the first time in its history every club was in attendance. A great night was had by all and Croydon Rages were again magnificent as hosts of the event.

The RDCA once again participated in the VMCU Carnival with six teams. Justin Hansen took on the role as Coordinator and received a Baptism of fire, as the role involved a little more than he first expected. At the end of the day the, Carnival was huge success thanks to his efforts. The highlight of the Carnival was the winning of the Beitzel Shield. A big thanks must go to: Bill Stafford, Sue Cunningham, Deon Voss, Luke Clarke, Paul Pleming,

Steve Lester, Lincoln Grigg, Jeff Barr, Danny Black, Russell O'Toole, Steve Minns, Danielle Hancock for their assistance as Coaches and Team Managers.

With some modifications to the format, the RDCA Junior Presentation night again ran smoothly and quickly. The night was again hosted by Justin Nelson who ensured the night was always moving and was completed in record time. At presentation night we saw the introduction of another new initiative of the RDCA Junior Committee which was the recognition of volunteers. Volunteers who have been involved with their Junior Club for 5, 10 or 15+ years were all recognized for their contribution to the game. Without the hard work of these volunteers many clubs would not have teams, so it is only fitting the RDCA recognizes these milestones each season.

In closing I would like to thank the RDCA Junior Committee for their efforts in the season just gone. John Springett was again outstanding in his role as Junior Secretary and his 10 years of experience in this role was invaluable. Justin Hansen, as already mentioned was a great asset with the running of the VMCU Carnival teams. Wayne Hartley, David Brush, Doug Beaton, Kerry Walton and Tim Sweeney were a great support in the roles on the General Committee. Special thanks to Tim Sweeney and Wayne Hartley for their extended service over the years as they both have indicated that they will be stepping off the Committee at the AGM. Ian Jones and Josh Browne were our Investigation Officers for the season and fortunately had quiet season. Finally a big thanks to my wife Rebecca for her assistance in her roles on the Junior Committee this season as well as her constant support and putting up with countless Cricket meetings.

Work is well under way for the 2012/2013 season with some structural changes already taken place which will position the RDCA Juniors in strong position for the future.

## Secretary's Report - John Springett

The competition was played again this year with little trouble having to be dealt with after the event.

The Friday night under 12 competition is a huge success and we can only improve in this venture as times go on. I was fortunate to umpire one of the finals this season and it was pleasing to observe first hand the respect that all the boys had for each other on and off the field especially at so young an age. It was also pleasing to see so many parents their watching the boys and enjoying the company of others.

Overall the rest of the competition was again a great success and I would like to congratulate all the junior boys who participated in season 2011/2012 and especially all the trophy winners, grand finalists, however they would not have been able to this without the input of all the boys who played this season

Again this year I was fortunate to have Rebecca to assist me with the Secretary's role, especially with a new born baby cannot express how much better it is having one so competent in this position and not without having for some of the time the prospect of becoming a mother for a second time. How she finds time to assist in the way she does with her work in the guides is a task that most would not be able to complete, personally I would like to thank her for a great job she does for the juniors and making my task so much easier.

Rebecca is one of the members of the Committee who all do a great job throughout the season and it with satisfaction one gets when the season is run so smoothly with the help of your club volunteers that do a lot of work that sometimes others do for granted but if we didn't have them we could not run cricket in the RDCA junior competition as it is and I would also thank them for their assistance.

Running a competition of this size takes a lot of input from different personnel and we were so lucky to have them on board.

As with all years the committee of the RDCA juniors and it would be appreciated if you know of anybody who would like to assist to let myself Rebecca or Timothy. Know or put their names forward at the Junior Annual General Meeting.

Having completed 10 years as Junior Secretary in this association it is been my privilege to see the many improvements made to have the season run so smoothly as it is at the moment, putting up ideas that all help, there is a saying "many hands make light work" and this can be done only if we have the numbers on the committee first to achieve this, so if when reading this report you or somebody you know would like to help then please let myself Rebecca or Timothy know, the more on the committee the lesser the tasks for those already willing to give a little time throughout the season, coming on board helping with new ideas etc.

Many thanks to the Parents who assist in scoring, umpiring and transporting the juniors on Friday and Saturdays to and from games, special thanks to the Team Managers and Coaches who as I know do these tasks some because their own siblings play in the team but the rewards are the same for those that do not.

Thanks must also go to Saxon Sports and Kookaburra for the support that they give to the RDCA Juniors

I would like to pass on to the committee for their assistance this year without them we could not operate in the way it is at the moment, some of the committee have been board with us for some time now and are once again putting their hands up to assist we are fortunate to have these dedicated people around to run the junior competition for another season

This season we did not run an audit for new players neither did we do audits on Saturday mornings to check that match day reports etc were done, these checks are used for investigation purpose if needed so we will once again be doing them the coming season  
Finally Thank you all for Season 2011/2012 continue with the excellent job that was done last season and once again the boys will continue to enjoy the game

## **Assistant and Records Secretary Report – Rebecca Court**

The 2011/2012 season was the second season the RDCA has used MyCricket and it is pleasing to report that there minimal issues with Club's entering Results and Registrations. It was also the second season in which Clearances were processed online and again there were little to no issues encountered.

This season saw 90 teams participate in our main competitive grades. This was 8 less teams than last season, with the loss of teams coming from the Under 14 and Under 16 Divisions. We had 23 teams participate in our non-competitive grades which was an increase of 3 teams from last season. We also had 26 teams participate in our midweek T20 Competition, which were four teams less than the previous season.

There were minimal fines issued for late short results and full match results which was very pleasing.

Thank you to all the Clubs and the Junior Committee for their support over the course of the season.

## **Representative Team Coordinator's Report – Justin Hansen**

Putting together six junior representative sides to represent the RDCA in a relatively short period of time requires many people working together and this year proved to be no exception.

From the outset we had a plethora of volunteers and affiliates who put up their collective hands starting with our major Association sponsor Paul Attfield who hosted the early trials at his Saxons Sports facility in Gatwick Road, Bayswater North. The trials although chaotic at times went smoothly and all three Age level squads were trimmed down to approximately 30 players by the last outdoor trial.

My thanks needs to go out to the independent selection panel consisting of Geoff Taylor from the Warrandyte Cricket Club, Luke Henderson from the South Croydon Cricket Club and Stuart Batten from the South Warrandyte Cricket Club the who presided over each of the three junior squads.

The selection panel had a number of key criteria including technique, game sense and temperament that were applied against each participant during the trial process, and each member of the panel attempted to give each and every boy the best possible opportunity to present the claims on selection.

I would like to extend my thank you to the Wonga Park, Norwood, South Croydon, Croydon, Croydon Ranges and Ringwood Cricket Clubs who hosted either, an outdoor trial, team training or indeed a match during the carnival period. I would like to also acknowledge the Knox City Council and Maroondah City Council who approved use of the grounds during the carnival.

Like the selection panel, each team needs officials to make it happen on and off the field and the following people stood up during this years carnival:

For the U12s:

Bill Stafford and Sue Cunningham from the Croydon Ranges Cricket Club and Deon Vos and Luke Clarke from the Wonga Park Cricket Club

For the U14s:

Paul Pleming from the Kilsyth Cricket Club, Steve Lester from the Norwood Cricket Club, Lincoln Grigg from Mooroolbark and Jeff Barr from the Ringwood Cricket Club

For the U16s:

Danny Black and Danielle Hancock from the Wonga Park Cricket Club and Steve Minns and Russell O'Toole from the Ringwood Cricket Club

This year every team managed to register at least one win during the Carnival with four of the six teams playing off in the finals series. The key to the carnival was the exponential growth and experience each player from the six teams was able to gain as a result of being selected as a representative player. Some players achieved great success whilst others returned more modest figures but the unanimous feedback was every boy walked away at the end of the carnival cherishing the experience.

Of the four teams that played finals, the two U16s teams made it into the Grand Final with the RDCA Jim Beitzel Team lead by Tommy Hancock achieving the ultimate prize in winning the Turf Premiership after beating the previously undefeated North West Metro side.

Although a team game, there are a number of players that are deserved of being mentioned individually:

U16 Jim Beitzel

Player of the Carnival: Sebastian Xantidis

Coaches Award: Michael Williamson

Player of the Finals: Elliott Hole

U16 Keith Mackay

Player of the Carnival: Ryan Evans

Player of the Finals: Jeremy Burton

U12 Josh Browne

Player of the Carnival: Bradley Stewart

Coaches Award: Joshua Cunningham

## **Under 10 Round Robin Carnival Report – Kerry Walton**

This year's carnival was taken to a new level in the RDCA's history. South Warrandyte Hawks were worthy winners on the night and for the first time in Non Comp History all clubs attended fielding 24 teams. A massive success!!!! It was our biggest turnout with every parent, grand parent, uncle and aunty thoroughly enjoying the 12 games of cricket on show. The 400+ crowd were lucky enough to witness some awesome cricket played on the night.

So, once again, the RDCA would be lost with out its club support. Bill Stafford and the Croydon Ranges team had the BBQ and drinks sorted for everyone on the night. We would also like to say a huge thanks especially to Justin Hansen (who put the whole night together), his son Tristan, Wayne Hartley and Kerry Walton for setting up, managing and then cleaning up the whole night.

Without these people, the night wouldn't have happened.

Finally, we would like to thank all the players, coaches, and families that made the night such a massive success again.

Non Comp cricket is alive and well and truly has become the highlight of the season for all the children that participant in our Friday night non comp program, and we look forward to even a bigger and better event next season.

## **T20 Coordinators Report – John Springett**

As following on from Last Season this competition grows larger each year with the inclusion of the U14`s to the U16`s and U19s, the under 14`s started with 12 teams the Under 16`s also started with 12 while the Under 19`s started with 7 teams.

The season was played on Wednesday evenings starting on 27th October and played over a six game competition with a break of a few weeks between 7<sup>th</sup> December and the 1st February games starting at approx 5.15pm.

After a successful season in this popular competition with many batting and bowling highlights Mooroolbark cricket Club in the Under 14`s finished on top of the ladder with Ringwood finishing in second place with a greater points percentage above Eastfield , in the Under 16`s Wonga Park finished on top of the ladder with Ringwood finishing Second , in the under 19`s North Ringwood finished on top of the ladder with Montrose finishing in Second place.

All the teams that finished on top of the ladder were the only teams that won all the games through the season so they thoroughly deserved to be in that spot.

The RDCA were fortunate when Saint Andrews assisted and allowed us to use all of their 3 grounds for the finals which were played on Wednesday 29<sup>th</sup> February with the following teams being awarded with premierships for this season, Under 19`s Montrose defeated North Ringwood. Under 16`s Ringwood defeated Wonga Park and in the Under 14`s Mooroolbark defeated Ringwood. To be able to run all Three competitions on the same day in the same locations is quite rare and the RDCA are lucky that this could be organised

The T20 competition will again be run in the upcoming season and hopefully will be run with success that it has been in the two seasons that has been run so far, this game is becoming very popular with the players and spectators and it is great to see families gathering to watch their siblings play on a week day.

Finally the RDCA would like to thank all the boys and young men that played this year, thank you the spectators, all the volunteers that organized and arranged these games throughout the season, the spectators willing to give up their time to watch them and finally Saint Andrews Cricket Club for the use of the ground for the final

## Clive Fairbairn Shield

The 'Clive Fairbairn Shield' is an award that is presented to clubs for overall success. It takes into account the success of every team from a particular club.

The following are the rules which governs the determination of this award:

### 31(c) Clive Fairbairn Perpetual Club Championship

- i. Points are to be awarded to teams fielded in competitive grades by multiplying the corresponding number of points from the following table by the number of premierships points for each team as they appear on the premierships ladder at the end of the home and away games.
  - U18/1, U16/1, U14/1 & U12/1 - 10 points
  - U16/2, U14/2 & U12/2 - 7 points
  - U16/3, U14/3 & U12/3 - 6 points
  - U16/4, U14/4 & U12/4 - 5 points
  - U16/5, U14/5 & U12/5 - 3 points
- ii. The total number of points thus gained by all competitive teams fielded by the club for all the home and away games of the season shall then be divided by the number of competitive teams so fielded to calculate an average.
- iii. The Total Championship Points will then be determined by first multiplying the average calculated in (ii) above by 0.1 (10%), then multiplying by the number of teams fielded and finally using the result to the average calculated in (ii) above.

This year's winner was **Wonga Park**.

The following is the final positions for the 2010/2011 Clive Fairbairn Shield:
