President's Report - Timothy Court

There is no doubt that as we look back upon the 2012/2013 Season we can comfortably view it as a success. This is without doubt due to the many hard working volunteers in the Junior Association, ranging from the Club Volunteers through to the Association Volunteers. Without their assistance of these Volunteers the RDCA Junior Association would not be what it is today.

At the end of the 2011/2012 season the Committee announced to the Clubs that it was not intending to run an Under 12 competition on a Saturday morning in the 2012/2013 season. This was met with a predominantly positive response although there were those who were clearly against the idea. With the season complete there is no doubt that the action of moving the Under 12's has been a success and has laid a very big foundation block for the rebuilding of the Junior Association to the participation numbers it has previously enjoyed.

The Split Innings format continues to be a very successful and popular, with the format now being played in all except Division 1 of each age group. The feedback continues to be very positive and the number of other Associations around Victoria that have been adopting this format is also continuing to grow, which can only be an indication that we are doing something right.

The T20 Carnival and Under 10 Round Robin Carnival were also run again and much thanks must go to John Springett, Justin Hansen and Kerry Walton for their efforts in organising these events.

A big thanks to all the members of the Junior Committee, Junior Coaches and Junior Team Managers for their assistance throughout the Season. In particular I would like to thank Daniel Walton for taking on the role of Records Secretary this season and doing a great job, Justin Hansen for his continued work with the Junior Representative Teams and finally John Springett for his outstanding efforts in the role of Junior Secretary.

At the AGM I will be standing down from the role of Junior President. It has been a very enjoyable six years and have been very pleased with what the Junior Committee has been able to achieve in that time. I would ideally like to continue but between work and family it is simply not possible. I would like to extend a special thanks to everyone who has supported and assisted me in this time, there are unfortunately too many people to name all individually, but will make mention of the work and support of John Springett who has been a tireless work and a constant support to myself.

Finally I would like to thank my Wife Rebecca for all her efforts in her roles of Assistant and Records Secretary over the last five seasons. I realise joining a Cricket Committee was not something she had ever considered, but her effort and hard work is greatly appreciated. I would also like to thank her for all the support she has provided to myself over the last six years.

In closing I would like to wish everyone the best of success for the coming season.

Secretary's Report - John Springett

The competition was played again this year with a minor problem having to be dealt with after the event.

The Friday night under 12 competition again was a huge success and we can only improve in this venture as times go on. It was pleasing to observe first hand the respect that all the boys had for each other on and off the field especially at so young an age. It was also pleasing to see so many parents their watching the boys and enjoying the company of others. We tried this season to start the finals earlier to get the advantage of the light as it gets dark later towards the end of the season

Overall the rest of the competition was again a great success and I would like to congratulate all the junior boys who participated in season 2012/2013 and especially all the trophy winners, grand finalists, however they would not have been able to this without the input of all the boys who played this season

Again this year I was fortunate to have Rebecca to assist me with the Secretary's role, I cannot express how much better it is having one so competent in this position .How she finds time to assist in the way she does being a mother, studying and with her work in the guides is a task that most would not be able to complete, personally I would like to thank her for a great job she did for the juniors and making my task so much easier.

Rebecca is one of the members of the Committee who all do a great job throughout the season and it with satisfaction one gets when the season is run so smoothly with the help of your club volunteers that do a lot of work that sometimes others do for granted but if we didn't have them we could not run cricket in the RDCA junior competition as it is and I would also thank them for their assistance.

Running a competition of this size takes a lot of input from different personnel and we were so lucky to have them on board. As with all years the committee of the RDCA juniors and it would be appreciated if you know of anybody who would like to assist to let myself know or put their names forward at the Junior Annual General Meeting.

Having completed 11 years as Junior Secretary in this association it is been my privilege to see the many improvements made to have the season run so smoothly as it is at the moment, putting up ideas that all help, there is a saying " many hands make light work" and this can be done only if we have the numbers on the committee first to achieve this.

So if when reading this report you or somebody you know would like to help then please let myself know, the more on the committee the lesser the tasks for those already willing to give a little time throughout the season, coming on board helping with new ideas etc. With the loss of Timothy and Rebecca we need others to assist in helping to run the season for the boys enjoyment..

Thank you to all the club co-ordinators who act on behalf of your club and the support we get from them to convey messages from junior committee meetings back to you
Many thanks to the Parents who assist in scoring, umpiring and transporting the juniors on Friday and Saturdays to and from games, special thanks to the Team Managers and Coaches who as I know do these tasks some because their own siblings play in the team but the rewards are the same for those that do not.

Thanks must also go to Saxon Sports and Kookaburra for the support that they give to the RDCA Juniors I would like to pass on to the committee for their assistance this year without them we could not operate in the way it is at the moment, some of the committee have been board with us for some time now and are once again putting their hands up to assist we are fortunate to have these dedicated people around to run the junior competition for another season

This season we did not run an audit for new players neither did we do audits on Saturday mornings to check that match day reports etc were done, these checks are used for investigation purpose if needed so we will once again be doing them the coming season.

I would like to thank Timothy and Rebecca for their support in enabling me to fulfill my task in a job that could have been difficult but with the leadership of Timothy as President and support that Rebecca gave me made it a lot easier and I am personally going to miss having them around and I am quite sure that whatever they undertake this season they will be successful.

I have known Timothy since we fist coached/managed an under 12 representative side a long time ago and at that time I had no idea what this meeting was going to lead to, I have been around to see what he is able to achieve and I am glad that he will not be lost completely to the juniors as he has said that he will still be able to assist if he is needed for a number of tasks that he is able to do at home.

Finally Thank you all for Season 2012/2013 continue with the excellent job that was done last season and once again the boys will continue to enjoy the game

Representative Team Coordinator's Report – Justin Hansen

This year the RDCA Representative season started very early with the introduction of a development program aimed at deepening the pool of junior talent capable of representing the RDCA.

The program proved to be very successful making the final team selections very difficult due to the number of boys capable of filling one of the positions in the team. I would like to thank all the clubs and families who supported the initiative particularly Deon Vos, Paul Pleming, John Eccles and Steve Lester who helped run the program.

Like every year, we had a significant amount of volunteers and affiliates who put up their collective hands to help deliver six junior RDCA representative teams to this year's VMCU carnival. I would like to thank our major Association sponsor Paul Attfield who hosted both the Development Squads and Selection Trials at his Saxons Sports facility in Gatwick Road, Bayswater North.

My thanks also go out to the independent selection panel that included Geoff Taylor from the Warrandyte Cricket Club and Stuart Batten from the South Warrandyte Cricket Club who, with the support of Luke, Paul, John and Steve were able to work the selection process for each age group.

The selection panel had a number of key criteria including technique, game sense and temperament that were applied against each participant during the trial process, which gave every boy the best possible opportunity to present their claims on selection. What was most pleasing this season was the interaction I had with a number of clubs and coaches during the selection process, which at times meant inviting a player back down to trial. With only one out of every two boy's trialling, making it into a Representative team there were many disappointments however I was heartened by the fact that once the team were selected, players, families and clubs accepted the result and seamlessly moved on. I would like to extend my thank you to the Kilsyth, Norwood, Wantirna South, Croydon Ranges and Ringwood Cricket Clubs who hosted either, an outdoor trial, team training or match during the carnival period. I would like to also acknowledge the Knox City Council and Maroondah City Council who approved use of the grounds during the carnival.

Like the selection panel, each team needs officials to make it happen on and off the field and the following people stood up during this year's carnival:

For the U12s:

Russell O'Toole and Pieter Walker from the Ringwood CC and Julie Maddox and Sandra Peter-Budge from the North Ringwood Cricket Club

For the U14s:

John Masters from the Croydon North CC, Katrina Palmer from the Mooroolbark CC, as well Shane Curley and Jeff Barr from the Ringwood Cricket Club

For the U16s:

Adrian Brush from the Ringwood CC, Craig Staggard from the Lilydale CC, Luke Henderson from South Croydon CC and Craig Meadows from the Wonga Park Cricket Club

This year four of the six teams played off in the finals series with our U12 team eventually winning the Keith Mitchell Cup. The key to the carnival was the exponential growth and experience each player from the six teams was able to gain as a result of being selected as a representative player. Some players achieved great success whilst others returned more modest figures but the unanimous feedback was every boy walked away at the end of the carnival cherishing the experience.

Although a team game, there are a number of players that are deserved of being mentioned individually:

U16 Jim Beitzel

Player of the Carnival:	Joel Merrett
Coaches Award:	Mitch Harris
Player of the Finals:	Jake Castelow

U16 Keith Mackay

Player of the Carnival:	Kaiden Smith
Coaches Award:	Tyson Henry

T20 Coordinators Report – John Springett

As following on from Last Season this competition grows larger each year with the inclusion of the U16's , the U14's and U12s, the under 16's started with 11 teams the Under 14's started with 8 teams while the Under 12's started with 4 teams, while there were not enough teams to form a under 19's competition this season

The season was played on Wednesday evenings starting on 24th October and played over a six game competition with a break of a few weeks between 5th December and the 30th January games starting at approx 5.15pm.

After a successful season in this popular competition with many batting and bowling highlights South Croydon Cricket Club in the Under 12's finished on top of the ladder with Croydon North finishing in second place , in the Under 14's Ringwood finished on top of the ladder with Mooroolbark finishing Second , in the under 16's South Croydon finished on top of the ladder with Mooroolbark finishing in Second place with a higher percentage than North Ringwood.

All the teams that finished on top of the ladder were the only teams that won all the games through the season so they thoroughly deserved to be in that spot.

The RDCA were fortunate when Saint Andrews assisted and allowed us to use all of their 3 grounds for the finals which were played on Wednesday 27th February with the following teams being awarded with premierships for this season, Under 16's South Croydon defeated Scoresby/Ferndale. Under 14's Ringwood defeated Mooroolbark and in the Under 12's South Croydon defeated Mooroolbark.

To be able to run all three competitions on the same day in the same location is quite rare and the RDCA were lucky that this could be organised

The T20 competition will again be run in the upcoming season and hopefully will be run with success that it has been in the two seasons that has been run so far, this game is becoming very popular with the players and spectators and it is great to see families gathering to watch their siblings play on a week day.

Finally the RDCA would like to thank all the boys and young men that played this year, thank you the spectators, all the volunteers that organized and arranged these games throughout the season, the spectators willing to give up their time to watch them the umpires that made themselves available on the Final day and finally Saint Andrews Cricket Club for the use of the ground for the final

Clive Fairbairn Shield

The 'Clive Fairbairn Shield' is an award that is presented to clubs for overall success. It takes into account the success of every team from a particular club.

The following are the rules which governs the determination of this award:

31(c)Clive Fairbairn Perpetual Club Championship

- i. Points are to be awarded to teams fielded in competitive grades by multiplying the corresponding number of points from the following table by the number of premiership points for each team as they appear on the premiership ladder at the end of the home and away games.
 - U18/1, U16/1, U14/1 & U12/1 - 10 points
 - U16/2, U14/2 & U12/2 - 7 points
 - U16/3, U14/3 & U12/3 - 6 points
 - U16/4, U14/4 & U12/4 - 5 points
 - U16/5, U14/5 & U12/5 - 3 points
- ii. The total number of points thus gained by all competitive teams fielded by the club for all the home and away games of the season shall then be divided by the number of competitive teams so fielded to calculate an average.
- iii. The Total Championship Points will then be determined by the first multiplying the average calculated in (ii) above by 0.1 (10%), then multiplying by the number of teams fielded and finally using the result to the average calculated in (ii) above.

This year's winner was **Wonga Park**.

The following is the final positions for the 2012/2013 Clive Fairbairn Shield:
