PRESIDENTS REPORT

My first comments must be in praise of the way our Secretary, Steve Pascoe, has carried out his duties during this past season, his ability to perform these duties and at the same time continue to play cricket with such competence shows the capabilities of this young man. I know that he is ably supported by his wife, Ann. The Association is indeed fortunate in having such fine people amongst its members.

To all members of the Executive, thank you once again for the very commendable manner in which you have helped to maintain the standard of administration that is appreciated by our Clubs.

To the Delegates, I thank you for your co-operation and dedication to your Clubs and your Association this past season.

The Twilight Competition that was introduced last season proved to be an outstanding success and with the new ideas now being formulated I'M sure more Clubs will participate this coming season. To John MacMillian and Mike McMahon our thanks for the organisation of this entertaining and beneficial facet of our game.

Brian Millson of the Montrose Club is our news editor and we are most grateful to him for the information he has given our Clubs through the media of the R.D.C.A. Newsletter. I trust he will receive even greater support from Clubs this year.

My personal thanks to all members for the privilege of once again being your President and for the manner in which you have welcomed my Wife Verna and I to your various Club functions.

I trust this coming season will be an enjoyable and satisfying one for each of you.

BILL DEAN.

GENERAL SECRETARY'S REPORT.

The past season, although not the "Long Hot Summer" promised by our President at the Annual Meeting, resulted in possibly the most successful season that the Association has enjoyed for many years. Membership continues to grow at a rapid rate and new innovations such as the "Twilight Competition" have engendered increased interest in the game of Cricket within our Boundaries.

The playing strength of an Association as a whole can only be measured on the field during inter Association matches and to this end the R.D.C.A. produced a most impressive record during the 1974-75 season with our Under 21 team winning our second C.U.O.V. premiership, in a magnificent team effort, and with all but one Australia Day team being triumphant.

As in previous seasons Ringwood Cricket Club assisted greatly with the provision of practice facilities for the Under 21 team, and Croydon Cricket Club, the new Senior Club in our District, again staged a Double Wicket Competition, the final of which was contested for the first time by two R.D.C.A. teams.

The provision of trophies by Hawthorn East Melbourne Cricket Club and Ringwood Cricket Club for Under Age players whom it is considered have the most potential to progress to Senior cricket has provided young players with this opportunity and we thank these clubs for their support in this regard.

The maintenance of Grounds throughout our Association has been of a very high standard and for this we must thank the Councils concerned. However, the matter of ground rentals is better left unsaid at this juncture.

To my fellow executive members and all Club Secretaries and delegate I express my thanks for their assistance in my initial year as Association Secretary. Most importantly however, I must thank my wife, Ann for the many hours she put into preparation and despatch of correspondence etc. for the position of Secretary requires an enormous amount of typing and duplicating and without her help the job would not have been done.

In closing I wish all clubs much success for season 1975-76.

REGISTRATION SECRETARY'S REPORT.

I am happy to report that the administration of Clubs during the past season reflected a vast improvement on season 1973 - 74.

To emphasise this fact, below are the misdoings detected for season 1974 - 75:-

		73/74
Unregistered Players - Seniors	4	(11)
- Juniors	16	(24)
Ineligible Players - Seniors	2	(4)
- Juniors	-	(1)
Late Team Sheets - Seniors	45	(74)
- Juniors	42	(51)

I must apologise to anyone who was inconvenienced by my moving house during the early part of last season, and trust that non of the above figures are a result of not being able to find me.

Last season saw 100 senior and 70 junior teams representing the 41 Affiliated Clubs, with a total registration of :-

Seniors :- 1945 (including 542 new registrations.)

Juniors :- 1376 (including 547 new registrations.)

Of the juniors, 197 also played Senior cricket during the season.

There were 125 clearance applications through last season, of which 117 players transferred to other clubs.

In closing I wish all Clubs and players a very successful and happy season for 1975 - 76 free from Registration worries, and thank all officials of both the Clubs and the R.D.C.A. for their co-operation over the past season.

GEOFF TAYLOR.

SOCIAL SECRETARY'S REPORT.

Junior Presentation Night.

The junior presentation night, whilst being of rather short duration as it was particularly planned with the Under 12 players in mind, was successful and it was most pleasing to see such a large number of players, parents and team managers in attendance.

The presentations were made by Mr. W. Wilkins of the Executive who has done so much towards the improvement of junior cricket within the Association. The Croydon Cricket Club presented pennants to all the players who had made the R. M. Hatch team and this encouragement is greatly appreciated by both the players and Executive.

There is nothing more to say about the supper that it was devoured and the players obviously enjoyed the introduction of the party pies this year.

The special guest for the evening was Mr. Bob Lloyd, the coach of the Ringwood Cricket Club, who spoke about the development of junior cricket in the area and his intention that the potential of all junior players should be developed as far as possible. We would wish to express our appreciation to Bob for the time he has given to the Association over the season in encouraging junior cricketers in the area.

Lastly I wish to thank those members of the Executive who so ably assisted with the supper preparations with particular mention for Steve Pascoe and Bob Bissett.

Senior Presentation Night.

The venue was changed to "The Hideaway" Sassafras for the presentation night and I think that it proved to be a successful move.

We were fortunate to have as guests the Mayor of Ringwood Cr. Morris, a Vice-President of the Hawthorn - East Melbourne Cricket Club Mr. Dufty and the President of the Ringwood Cricket Club Mr. Cousins together with Mr. Doug Chandler who again presented the "chandler Shield" to the Wonga Park club.

Highlights of the evening were the presentation of two premierships flags to Mt. Evelyn, the "Chandler Shield" premierships to Wonga Park and the drawing of the autographed bat by the Lady Mayoress which was won by a Mt. Evelyn player which really made that club's evening memorable.

"The Hideaway" with its intimate atmosphere lends itself well to the type of function such as a presentation night and I would like to express formally our appreciation to their staff and band for making it an enjoyable evening.

Finally, in my first year as Social Secretary I should like to thank the Secretaries of all the Clubs in the Association for their tremendous support for the presentation night both from their control of the sale of tickets and their prompt payment which ensured that the costs of the night were covered prior to the actual evening.

Thank you to the members of the Executive for their support and direction and I wish all players and Clubs a successful 1975 - 76 season and look forward to seeing you at the presentation night at the end of the season.

DON SMITH.

OBITUARY

Unfortunately we must record the passing during the past season of two stalwarts of the R.D.C.A.

SALVANA L.C. (Lou) An interstate cricketer in the 1920's, Lou captained Hawthorn - East Melbourne C.C. 1st XI and played with that club until 65 years of age (making a century for the 4th XI on his 60th birthday) On the Administrative side of the game Lou attained the Position of Vice President of H.E.M.C.C. and served the R.D.C.A. as President for 13 years. For his services to the R.D.C.A. and cricket in general Lou was made Life Member of the R.D.C.A. as, also, he was made life member of the V.J.C.U. (now C.U.O.V.) of which organisation he was minute Secretary and Selector. Delegates will no doubt remember the Lou Salvana of recent years who actively pursued his interest in the R.D.C.A. by attending most delegates meetings. His presence and interest in our Association will be sadly missed.

HAGER, G. (Geoff) The recent news of the tragic death of Geoff Hager shocked all members of the R.D.C.A. A member of the Croydon North C.C. Geoff previously played with Wantirna and East Ringwood Clubs and earned a reputation as a exceptionally good batsman and steady bowler. In recent years Geoff's abilities waned from the heights he attained in his younger days, However, he remained a formable opponant and an asset to his club. The absence of Geoff Hager from the cricket field in future will be regretted but we look to his son to keep the family name high in R.D.C.A. Cricket.

UMPIRES COMMITTEE REPORT

The 1974 - 75 season has been our most satisfying year yet for the following reasons:-

Teams co-operated more than in previous years.

Captains were helpful and generally their reports on Umpires were constructive and fair.

Only two players were reported.

Two "old" juniors umpired junior games for most of the season.

Of eight new umpires this year, seven were playing in the R.D.C.A. last year.

When players were requested to umpire finals games, 20 volunteers 5 from one club - Bedford.

On your behalf I sincerely thank those 20 volunteers for umpiring in all finals and doing such a fine job of it, your report on these people show how much their efforts were appreciated.

The action of appointing junior umpires will be continued next year and I ask your assistance to expand the panel. All interested are welcome at our meetings where they will be assisted in becoming good umpires. It may not be appreciated that being an umpire also improves cricket understanding and experience with this in mind we would be prepared to conduct a series of training nights for "would be" junior or senior umpires if the demand warranted it. Please take this idea back to your clubs and notify me of any interested persons.

As holders of the Joseph Cup competition for the year 1973-74 we played Dandenong in the final this year only to lose to a more even team. Congratulations to Dandenong, an association that, like us, recently rejoined a much rejuvenated Victorian Cricket Umpires Council.

We were unfortunate in losing the services of R. Wilson due to a traffic accident, D. Snowball through ill health and lastly Jack Hall (a long term umpire) also to ill health. My committee wish these fellow umpires a speedy recovery.

KEN DUNHAM.

SELECTION COMMITTEE

Senior Teams

Season 1974 - 75 was a very successful year for the Association with the highlight being the achievement of the Under 21 team in winning the Victorian Championship.

On Australia Day we regained the Curtis Clark Shield with a good victory over the North Suburban Cricket Association.

However, in our other senior match, our second side was beaten by the Dandenong Association.

One of the most disappointing aspects of selection is that many sides do not nominate players for Association sides making it very difficult to field teams which show the true strength of the Association.

M. McMAHON
(Selector)

Junior Teams

The new selection system, in which Club Team Managers nominate players from their junior teams that they consider are worthy of a place in the R.D.C.A. team, appears to have worked very well.

Selection of the team was made much easier and there were no withdrawals due to the selected players being unavailable.

The practice session did not enjoy a good attendance and it was generally agreed that this was due to the practice session being held during the school holidays.

All games were played against the South Suburban Churches Cricket Association at the Glen Iris Reserve and all teams were victorious after some very exciting play.

The captains all performed creditably and the Association has every reason to be proud of every member of its junior representative teams.

The team Managers (Mr. A. Paver & Mr. P. Galletly) worked well, with the best interests of the boys, the R.D.C.A. and cricket generally as their aim and in return they enjoyed excellent co-operation from every boy.

SELECTION COMMITTEE (CONT.)

Junior Teams (cont.)

The Selection Committee suggests that team selection in 1975 be made during November, so that a Possibles - Probables game can be played in each of the junior grades during early December before the boys disperse for their holidays. From this match (or matches) a truly representative team and balanced team can be selected and the boys will get to know each other much better than they do under the existing system.

TREASURER'S REPORT

Although we have had to put up with increasing costs the Association is in a very good financial position. Starting the year with \$335.64, it is now increased to \$844.25. This is due no doubt to the successful sale of Balls the Association has taken on.

I must also mention the excellent work our Social Secretary did in finishing with a profit at our Presentation Night which no doubt help to keep down your Affiliation Fees, and rising costs. Fines have decreased this season which is a good sign, as the executive do not want to make revenue out of same, this also points to much improved administration in clubs.

Many thanks for the co-operation of Treasurer's concerned.

BOB BISSET.
