# PRESIDENT'S REPORT

Another season has come and gone, with all of the usual highs and lows. Rain interruptions at the beginning and end of the season and some disruption of the finals due to an early Easter. Unfortunately we can expect more of the same next season, due to the Commonwealth Games.

The finals series provided some very high standard matches, with very few one sided clashes. Whilst there were some fine individual performances, these were far outweighed by strong team efforts. Spectators were treated to some very exciting cricket, a credit to all of the clubs participating at the business end of the season.

All in all, the season ran smoothly which is a testament to the hard work of the Junior Executive, the clubs coaches and team managers. On behalf of the Junior Committee I would like to thank all of the players and officials for their commitment to our association and our great game.

This past season saw the introduction of a number of sub-committees which took responsibility for various important activities within the association. This allowed us to spread the workload more efficiently and significantly reduced the amount of time given over to meetings. Particularly pleasing was the effort of the Representative Cricket Sub-Committee, headed by Glenn Wilson and Michael Duke. The retention of some of the coaching/managing personnel and recruiting of new volunteers resulted in another outstanding performance from our carnival teams. Our Under 14s defeated Ferntree Gully in the grand final, reversing the result from the previous year. The Under 16 turf side reached the semi-finals and the Under 16 synthetic team reached the grand final. In addition, the RDCA combined with Box Hill Reporter to field an extra Under 16 side to fill a bye. Whilst not successful in reaching the finals this combined side was certainly competitive and played some entertaining cricket. The second Under 12 side failed to reach the finals for the first time, but they were very competitive, as well.

No doubt the highlight of the carnival was the success of the Under 12 Mitchell Shield squad. Coached by an outstanding young volunteer, Scott Minetti, ably assisted by Russell O'Toole, the young cricketers managed to tie the grand final against City of Moorabbin. This was our first flag in Mitchell Shield since the very first competition in 1984. Congratulations on a great effort. Let's hope this the first of many flags. It should be noted that Mitchell Shield has been dominated, in recent years, by City of Moorabbin and North West, two very competitive associations.

In defeating NWCA in the semi final and managing a tie in the final, the Mitchell Shield squad climbed the mountain.

Congratulations also to the RDCA players who made it into the Dowling Shield and Hatch Shield squads. The Croydon Hatch squad was made up of RDCA players and they had a great win over Balwyn in the final. Special mention for Daniel Coughlan, Boronia, who won the best player award in the competition.

Once again the Junior Executive comprised a group of dedicated volunteers, some with many years experience and some new members. It was a very strong committee and I would like to thank all those participants. John Springett and Jeff Luscombe are the backbone of the group and put in a huge effort every season. Kevin Dawson has created a very professional operation in establishing training sessions for coaches and umpires and was a lone hand in putting together a most enjoyable Junior Presentation Night. Tony Gawne's expertise was invaluable, as always. New recruits Jane Freeman, Keith Smith, Tim Sweeney and Ian Garvey also made a solid contribution. Glenn Wilson and Michael Duke have already been mentioned. It is to be hoped that next season we will have another strong committee.

We also have to thank some ex-officio members of the committee, whose names rarely appear but provide important back up support. Timothy Court looks after results, Tyson Heinrich takes care of the website and Stuart Minetti assists with fixtures. A special mention of long term servant, John Higgins, who put together a video of carnival highlights shown at presentation night.

The association was supported by a new sponsor, Kelvin Hastie, of Club Meats. Kelvin's donation went a long way towards covering the cost of the representative sides and we are most grateful for the support. A contribution of equipment from Kookaburra Sports has, again, helped significantly.

None of what is achieved, at the junior level, would be possible without the ongoing support of the Board of Management and the Junior Executive thanks them, most sincerely. One of the highlights of presentation night was an address by Steve Pascoe, President of the Board. Steve will be standing down this year, after many years of service and we wish him, and his wife Ann, all the very best for the future. We are confident Steve will not be lost to us forever.

Finally the Committee expresses its sincere appreciation to all of the volunteers involved during the past season and looks forward to an ongoing contribution in the coming season.

Josh Browne.  
President.

# SECRETARY'S REPORT

This being my third year as Secretary saw changes in the number of grades played , there were not enough interested clubs to continue with the Under 13 competition but the Under 17 started but as the season started a few clubs withdrew their side which resulted in the competition being held between 5 clubs, it will be interesting to see if clubs wish the under 17 competition to continue in 2005/06 Time will tell about another under 13 and an Under 15 competition this year.

Again as last year we had a committee that handled all aspects of running the competition. Unfortunately it appears that we are going to loose a few members from the committee if only in position changes, this means that the Junior RDCA committee will be looking for new members and if you know of anybody interested please nominate them for a position on the committee at the future meeting.

If you are going to nominate anybody who is prepared to accept would you please let me know by email.

Many thanks go to Josh Browne, Jane Freeman, Kevin Dawson, Keith Smith, Michael Duke, Tony Gawne, Jeff Luscombe, Ian Garvy, Glenn Wilson and Tim Sweeney for your assistance throughout the Season.

There are still quite a few clubs not attending meetings or submitting scores after matches after last year I thought that the problem had been resolved but unfortunately the same lack of assistance from some clubs is causing concern for others

At the end of the season it was required to submit scores on time to assist Kevin Dawson to setup the presentation night and it was with great difficulty that we finally arrived at what was needed but this was with help from clubs that were not required to submit scores helping the executive.

I must thank Jane Freeman for her help with taking minutes and Kevin Dawson for his assistance in the Umpire Information night and also for his assistance in the Junior Presentation night evening, to the successful Grand Finalists and all the juniors that earned personal awards.

Congratulations must also go to the carnival sides and all those who played Dowling and Hatch competitions.

Many thanks go to the Parents who assist in scoring, umpiring and the transporting of juniors to and from games.

John Springett  
Secretary

## RDCA REPRESENTATIVE TEAMS

The RDCA would like to congratulate all players who played Representative Cricket for the RDCA this season and commend them all on their performances and the way they went about representing their association. Special thanks must also go to all the parents who helped transport the players all over the State and especially to the coaches and team managers who gave up their time to give these players the opportunity to play representative cricket.

The VMCU 2005 competition for the RDCA was again very successful.

An expanded competition with the introduction of an Under 16 Turf competition, saw the RDCA entering five teams plus a combined side with Box Hill Reporter, the Presidents XI, competing in the Under 16 Synthetic competition.

I would like to congratulate and thank our Coaches and Team Managers for a fantastic job.

The Pres XI had a terrific competition and played some great cricket with our friends from Box Hill Reporter.

The Keith Mackay Cup team also had a great competition finishing Runners-up a great effort and well done to all.

The Jim Beitzel Shield team also had a great competition being undefeated going into the Semi-Final but just missing out on advancing.

The RDCA Committee would like to congratulate all of the above teams for making it to the finals and for the sportsmanship that was exhibited throughout the entire series.

The 2002/2003 finals series could not have been as successful as it was without the excellent job performed by the Umpires. The RDCA prides itself on being a strong competition and with the dedication of the umpires who officiated in the finals series, goes a long way towards maintaining that pride.

# CLIVE FAIRBAIRN SHIELD

The 'Clive Fairbairn Shield' is an award that is presented to clubs for overall success. It takes into account the success of every team from a particular club.

The following are the rules which governs the determination of this award:

31 (c) Clive Fairbairn Perpetual Club Championship

- (i) Points are to be awarded to teams fielded in competitive grades by multiplying the corresponding number of points from the following table by the number of premierships points for each team as they appear on the premierships ladder at the end of the home and away games.  
U16/1, U14/1 & U12/1 - 10 points  
U16/2, U14/2 & U12/2 - 7 points  
U16/3, U14/3 & U12/3 - 6 points  
U16/4, U14/4 & U12/4 - 5 points  
U16/5, U14/5 & U12/5 - 3 points
- (ii) The total number of points thus gained by all competitive teams fielded by the club for all the home and away games of the season shall then be divided by the number of competitive teams so fielded to calculate an average.
- (iii) The Total Championship Points will then be determined by first multiplying the average calculated in (ii) above by 0.1 (10%), then multiplying by the number of teams fielded and finally using the result to the average calculated in (ii) above.
