President's Report - Timothy Court

The 2010/2011 season was again a successful season for the Junior Committee. The season was provided with a number of challenges with the introduction of MyCricket as the RDCA's new results and registration solution, as well as the large amount of water that took a liking to falling from the sky on a Saturday.

At the end of last season there was a lot of discussion regarding the growth of the RDCA Juniors as well as the retention of existing players. A number of initiatives were identified and included (and not limited to):

- Expanding of the Midweek T20 Competition to cater for Under 19 and Under 16 age groups
- Introduce a Friday Night Competition for Under 12's
- Provide increased education for Team Managers and Coaches
- Introduce a Volunteer Recognition Program for volunteers involved with the RDCA juniors.

Of the above initiatives we were able to successfully expand the T20 competition, we were able to successfully get a Friday Night Under 12 competition up and running and we ran a Coach the Coaches night for Coaches. We struggled for time with the Volunteer program but work is already underway to see this implemented for the coming season.

The Fixturing and Grading posed many challenges this season, with the weather and the AFL Grand Final creating significant issues at the start of the season. This season was the first time in my memory where we went into the re-gradin period with such little Cricket being completed. This naturally posed a number of difficulties with the re-grading process, but the end results once again were generally proven correct based on the information available at the time.

The switching over to MyCricket was incredibly smooth and clubs adjusted very well to the change. In comparison to the previous season there were minimal indiscretions, which was a very pleasing outcome and hopefully this can be carried through to the coming season.

At the start of the season we again ran the Team Manager Evenings which were again very well attended by the Clubs. Once again these are proving to be a huge success with very minimal issues encountered on a Saturday morning and the majority of queries being encountered on a Saturday morning are generally clarifying points from the Team Manager evenings.

We attempted to introduce a Coach the Coaches evening for the Coaches and a lot of work went into organising this night, however it was bitterly disappointing to see the majority of clubs failing to support the night. Those that attended the evening all provided glowing feedback of the evening which will see another evening organised for the coming season.

The representative teams were again well organised by John Kilby which once again saw us field six sides in the VMCU Carnival. We encountered mixed success; however the Under 14's were successful in winning the Des Nolan Cup. This season was John Kilby's last season in organising the representative teams and I would like to extend a large thanks for the enormous amount of time he has put in over the last four seasons and for the great job he has done.

The T20 competition was again run this season with competitions for both Under 19 and Under 16. The rain ensured that a number of games were washed however the responses from teams was again very positive and we will look to expand this competition again in the coming season.

Justin Hansen and John Springett again took on the responsibility for organising the Under 10 Round Robin. It was great to see the greater majority of teams make the effort to attend and to enjoy a well organised and fun evening.

After several attempts of the past few seasons we were finally able to get a Friday night Under 12 Competition up and running. It was great to see the Coaches and Team Managers play the matches in a very accommodating manner as we adjusted the rules to handle the mixed light conditions. With this seasons success with Friday nights we are hopefully of being able to have two grades in the coming season.

The season ended with the Final Series and Presentation Night. There was once again a great turn out at the Presentation Night and great to see all teams present to collect their Premiership Pennants. Justin Nelson was once again fantastic as MC. Congratulations to all the Premiership Sides and Award Winners.

As a new season draws ever closer, I would like to thank the Junior Committee for their efforts in the season just past. John Springett was once again tremendous in the Role of Junior Secretary, Rebecca Court continued her great work as Assistant and Records Secretary, John Kilby was once again on the ball with the representative sides and David Brush, Tim Sweeney, Paul Cardwell, Doug Beaton, Justin Hansen, Wayne Hartley and Josh Browne provided fantastic support as members of the Junior Committee.

We are on the look out for new members of the Junior Committee. Josh Browne, Paul Cardwell and John Kilby will be stepping down from the Junior Committee so it would be great to see some new faces step up and become involved.

In closing I would like to thank my wife Rebecca for all her assistance through out the season.

Secretary's Report - John Springett

As Secretary I was pleased with the way the competition was played this year with little trouble having to be dealt with after the event.

During the season I was unfortunately taken ill and spent some time in hospital and I would like to thank those who assisted me in these troubled times especially Timothy and Rebecca.

It appears that the Friday night under 12 competition is a success and we can only improve in this venture as times go on.

Overall the competition was again a great success and I would like to congratulate all the junior boys who participated in season 2010/2011 and especially all the trophy winners, Grand Finalists and others that achieved that little bit more than others; however they would not have been able to this without the input of all the boys who played.

Again this year I was fortunate to have Rebecca to assist me with the Secretary's role, I cannot express how much better it is having one so competent in this position. I would personally like to thank her for a great job she does for the juniors and making my task so much easier, Rebecca is one of the members of the Committee who all do a great job throughout the season.

I would like to thank all the volunteers from the clubs in the junior competition in the manner that they adapted themselves and assisted the committee in running it each season. Running a competition of this size takes a lot of input from different personnel and we were so lucky to have them on board.

This year we are unfortunate to lose a few members from the committee and it would be appreciated if you know of anybody who would like to assist to let myself or Timothy know or put their names forward at the Junior Annual General Meeting.

Many thanks to the Parents who assist in scoring, umpiring and transporting the juniors on Friday and Saturdays to and from games, special thanks to the Team Managers and Coaches who as I know do these tasks some because their own siblings play in the team but the rewards are the same for those that do not.

I would again like to ask you to give some thought and taking an active role on the committee this coming season and if you are interested please contact myself, Rebecca or Timothy.

Thanks must also go to Saxon Sports and Kookaburra for the support that they give to the RDCA Juniors

I would like to pass on to the committee for their assistance this year and especially Timothy my most sincere thanks to the way that he organises himself in doing a job that is more than he should be asked for but that is the way this young man does things.

We are very fortunate to have him at the helm of our Juniors and with the implementations that he finds each year this competition is running very smoothly now as shown with the results in season 2010/2011.

This season we did not run an audit for new players neither did we do audits on Saturday mornings to check that match day reports etc were done, these checks are used for investigation purpose if needed so we will once again be doing them the coming season.

I would like extend thanks to John Kilby for his great work over the past five seasons in his role of Carnival Coordinator. John has worked tirelessly with these teams and will not be continuing this season.

Finally Thank you to all for Season 2010/2011, continue with the excellent job that was done last season and once again the boys will continue to enjoy the game

Assistant and Records Secretary Report – Rebecca Court

The 2010/2011 season saw the RDCA move from SportingPulse to MyCricket for its Results and Registration Solution. As part of this transition a new Online Clearance System was introduced.

It was pleasing to see clubs embrace the new system and in particular the take-up of the new Clearance System. There were 235 clearances entered into the system of which 40% of them would relate to the Juniors. Due the limiting reporting capacity of MyCricket, combined with the fact that many existing players were missing from MyCricket, there is no real way to report on the number of new registrations for the past season. There were only a handful of cases where players were incorrectly registered and played in grades that they were not eligible for.

In terms of the submission of results it was great to see such an enormous improvement with the submission of Short and Full Results. Virtually no fines were issued for late results in the past season and at seasons end we have data entered for every match. Clubs should be aware that with the implementation of the new system a certain amount of leniency was shown this season and this leniency should not be expected in the coming season.

Representative Team Coordinator's Report - John Kilby

After many months of trials we at the selection table were very happy and excited with the selections and hoped for big things come January.

In the u-12s we saw 65 players at the trials which made selection difficult with only 2 sides and not a possible 4. We selected 6 bottom age boys in the Josh Brown Plate side that performed very well to play in a quarter final only to go down by a few runs. Many thanks to Dion Voss (coach) and Justin Hansen (t/m) who both had their first carnival experience and performed sensationally.

Mitchell Shield had an up and down carnival finishing mid table after some fine individual performances. To John Eccles and Steve Lester thanks for your efforts looking after the boys.

The u-14 Des Nolan Cup team took all before them and came up trumps with a fine carnival win. The boys had many fine individual performances throughout the carnival by many boys which enabled them to bring home the cup. Many thanks to Linc Grigg and Andy Exley for their great work with the boys. The Russell Allen Shield team was what we thought a very good team but they could not put it all together on any 1 given day. They finished middle of the table but this group of boys have fine futures ahead of them and will be better for the experience. Many thanks again to Andy Catley And David Smeed for the time and work they put in to the team.

The u-16s were 2 good squads with high hopes placed upon them. The Mackay Cup team had a mixed carnival with some excellent wins and narrow losses that could have been wins and placed them top of the ladder. The boys played in the semi final and performed well to go down narrowly, but well done boys as they play most comps 1st team in that grade. To Peter Bromily and Karen Chittick thanks for coaching/managing the team, well done.

The turf boys in the Jim Beitzel Shield were a little inconsistent over the carnival but will be much improved players for the turf experience. The bowlers performed very well to have the side in a good position most days with the batsmen not having the experience or patience to bat out a session and see the side to a good score. This can be attributed to many things but not having batted on turf a lot does historically cause our boys trouble. John Beale and Brett McKane again put their hands up to co-ordinate a rep team and performed exceptionally well in trying circumstances.

To John Springett and his band of umpires, again the best in the business well done and thank-you.

To everybody I have had help from over the last 5 years with the rep teams I hope you have enjoyed yourselves and thank-you very much.

Finally let me wish every player, parent and official I have been associated with over the years all the best for the future and I hope we cross paths again watching our boys play seniors over a beer or two.

Round Robin Carnival Coordinators Report – Justin Hansen

This year's Non-Comp Round Robin extravaganza was a tremendous success with Boronia ultimately taking out the overall competition honours for the second year in a row.

This year we had 16 clubs come together at Silcock Reserve for the annual highlight of the season for the U10s, on an ominously stormy evening that threatened to send the 400 plus players and spectators scurrying for cover at any given moment Thankfully the weather held and the 9 simultaneous games spread across the grassy fields of Silcock Reserve ran with clockwork precision.

Okay organised chaos could also be an accurate description but the kids and their families had a ball with everyone getting into the spirit of the event, with one player even commenting on how good it was to be playing under lights, on a turf wicket, at both the MCG, SCG and Lords, all in the one evening!

These events we put on always have people behind the scenes making it happen and for that I would like to personally thank Bill Stafford and his team at Croydon Ranges for organizing the BBQ and drinks. I think it ran very smoothly and just made the night flow much easier. I would also like to thank John Kilby for supplying the equipment that helped set up 9 ovals where normally there is only 2, and both Wayne Hartley and my son Tristan Hansen for setting up, managing and then cleaning up the whole night. Without these two people, the night wouldn't have happened.

Finally, I would like to thank all the players, coaches, and families that made the night such a success again. It truly has become, the highlight of the season for all the children that participant in our Friday night, non-comp program, and I look forward to even a bigger and better event next season."

T20 Coordinators Report – Timothy Court

The 2010/2011 T20 competition began with a call for nominations for teams in the Under 19 and Under 16 age group. When the competition began there were 12 teams in the Under 18 competition and 16 in the Under 16 Competition.

The weather provided a number of issues with matches and saw a number of matches washed out, especially at the end of the competition. Despite this most teams were able to get at least three matches out of the scheduled six completed.

At the end of the home and away matches East Ringwood and Bayswater Park finished on top of the Under 19 competition while Croydon North and Scoresby/Ferndale finished on top of the Under 16 competition.

Bayswater Park batted first in the Under 19 Grand Final and set East Ringwood 106 runs for victory. The target was very gettable, however East Ringwood were dismissed for 67. In the Under 16 Competition Scoresby/Ferndale batted first and set Croydon North 131 runs for victory. Croydon North but in a great chase, but fell two runs short after their 20 overs. Both matches were played in great spirit and despite the overcast weather attracted a large number of onlookers.

The RDCA Junior Committee would like to extend its thank to St Andrews for hosting the two finals and their great hospitality.

At this stage we will be again looking to expand the competition further in the coming season, but this will be determined by the clubs.

Clive Fairbairn Shield

The 'Clive Fairbairn Shield' is an award that is presented to clubs for overall success. It takes into account the success of every team from a particular club.

The following are the rules which governs the determination of this award:

31(c) Clive Fairbairn Perpetual Club Championship

- i. Points are to be awarded to teams fielded in competitive grades by multiplying the corresponding number of points from the following table by the number of premierships points for each team as they appear on the premierships ladder at the end of the home and away games.
 - U18/1, U16/1, U14/1 & U12/1 - 10 points
 - U16/2, U14/2 & U12/2 - 7 points
 - U16/3, U14/3 & U12/3 - 6 points
 - U16/4, U14/4 & U12/4 - 5 points
 - U16/5, U14/5 & U12/5 - 3 points
- ii. The total number of points thus gained by all competitive teams fielded by the club for all the home and away games of the season shall then be divided by the number of competitive teams so fielded to calculate an average.
- iii. The Total Championship Points will then be determined by first multiplying the average calculated in (ii) above by 0.1 (10%), then multiplying by the number of teams fielded and finally using the result to the average calculated in (ii) above.

This year's winner was **Wonga Park**.
